Katima Mulilo

Dear Sir/Madam

**SUBJECT: FOR THE CONSTRUCTION AND OPERATION OF A FILLING STATION AT GREENWELL MATONGO POLICE STATION, KATIMA-MULILO, ZAMBEZI REGION**

**Namibian Police (NAMPOL)** has commissioned this EIA and appointed Environclim Consulting Service through Octopus Consulting Engineers to undertake the environmental impacts assessment for the construction and operation of a new fuel facility at the Greenwell Matongo Police Station in Katima Mulilo, Zambezi Region.

The proposed new police station is situated at Greenwell Matongo, within the townland of Katima-Mulilo, along the Mafuta Road, adjacent to your school (Greenwell Matongo Primary School) at the intersection of Sam Nujoma Drive & Mafuta Road.

You are hereby notified of the proposed activities as the adjacent neighbour to the Greenwell Matongo Police Station. The notification also forms part of the application process for the Environmental Clearance certificate in conformance with the Environmental Management Act No,7 of 2007 and its Regulation of 2012.

We appreciate your consideration and support for this project. Should you have further queries regarding the project, kindly reach out to us on the provided contact details.

Your sincerely

Gideon Kalumbu  
Environmental Assessment Practitioner (EAP)  
EnvironClim Consulting Services
