Green Earth Environmental Consultants

Call for public participation/comments/assessment to obtain an Environmental Clearance Certificate for the rezoning of Portion 10 and 439 of Farm Brakwoter No. 48, Windhoek from residential to industrial, the consolidation of the portions and for the activities of Bokomo Namibia (Pty) Ltd on the consolidated portion.

Green Earth Environmental Consultants have been appointed to attend to and complete an Environmental Impact Assessment and Environmental Clearance Certificate as per the requirements of the Environmental Management Act (No. 7 of 2007) and the Environmental Impact Assessment Regulations (GN 30 in GG 4878 of 6 February 2002) for the rezoning of Portion 10 and 439 of Farm Brakwoter No. 48, Khomas Region and the Renewal of the ECC for the activities of Bokomo Namibia (Pty) Ltd on the consolidated portion.

Name of proponent: Bokomo Namibia (Pty) Ltd

Project location and description: Portion 10 and 439 of Farm Brakwoter No. 48 (Bokomo Namibia's operation and distribution site) is located ±15 km north of Windhoek, directly west of the E1 road between Windhoek and Okavango. The site takes access from the District Road 3491 located directly west of the Portion which provides access to the Brakwoter South Area. The Proponent acquired Portion 439 for additional sites to expand their facilities and operations. Portion 439 is zoned residential and Portion 10 has a split zoning of residential and industrial. To be able to consolidate the portions, both must be rezoned to industrial.

Interested and affected parties are hereby invited to register in terms of the assessment process to give input, comments and opinions regarding the proposed project.

A public meeting will be held if enough public interest is shown. Registered I&APs will be notified of the date and venue of the public meeting.

The last date for comments and/or registration is 24 September 2025.
