IN THE HIGH COURT OF NAMIBIA MAIN DIVISION - WINDHOEK CASE NO: HC-MD-CIV-ACT-CON-2024/02948 In the matter between: FIRST NATIONAL BANK OF NAMIBIA LIMITED PLAINTIFF AND RIVALDO RICARDO GAWANAB RESPONDENT FOUNDING AFFIDAVIT I, the undersigned STEPHNE MARQUARD do hereby make oath and say that: - 1. I am a major female employed as Manager: Legal Collections and Recoveries Credit Support - One Legal Department at First National Bank of Namibia Limited with its principal business situated at 130 @Parkside, Independence Avenue, Windhoek, Republic of Namibia. 2. I am duly authorised by the Applicant to depose to this affidavit and to bring this application in terms of rule 108(1)(b) on behalf of the Applicant. The content hereof falls within my personal knowledge unless the context indicates otherwise or the contrary appears therefrom and same being both true and correct. 3. Where I make legal submissions, I do so on the advice of the Applicant's legal representatives of record, which advice I believe to be accurate. 4. The parties are as set out in the summons and particulars of claim. 5. The purpose of this application is to seek an order declaring the immovable property more fully set out in the Notice of Motion executable. 6. The Respondent is indebted to the Applicant in the amounts as set out in the Judgment of this Honourable Court dated 1st October 2024. I refer to the particulars of claim and confirm the Applicant's cause of action as set out therein. I, therefore, seek to incorporate the claim set out in the particulars of claim into these proceedings. 7. The relevant circumstances as contemplated in Rule 108(2)(c) of the rules of this Honourable Court are that: - 7.1. The Respondent utilised the monies advanced to them to acquire an immovable property forming the subject matter of this application; 7.2. The indebtedness of the Respondent is substantial; 7.3. The Respondent is in arrears with his Home Loan Account. The Respondent does operate a normal cheque account with the Applicant. 7.4. The Respondent initially did contact the Applicant's legal practitioner in order to make payment arrangements to extinguish his debt. The Applicant and Respondent engaged in various communications regarding settlement. However, the Respondent has failed to fulfil his commitments and has not provided our legal practitioners with any less drastic alternatives in attempt to extinguish his debt. 8. By virtue of the foregoing no other reasonable means exist in which the Applicant can recover its debt due to it by the Respondent. 9. The Applicant has a substantive right to execute against the immovable property hypothecated by virtue of the provisions of the mortgage bond executed in its favour. 10. The judgment amount, interest and costs remain outstanding. 11. I will cause a copy of this application as well as the notice contemplated in Rule 108(2) to be served on the lessee, the third party herein. By virtue of the contractual relationship between the Applicant and the Respondent, it is unknown to the Applicant whether or not the immovable property is 'leased to a third party as a home' as contemplated in Rule 108(2) of the Rules of this Court. 13. Annexed to this application is a Form 24 as is prescribed by Rule 108(2)(a) inviting the Respondent or third party to show cause, within 10 (ten) days from the date of service of this application, giving the Respondent or third-party notice of this application and calling upon him/her to show cause why the immovable property should not be declared executable. Over 60 000 children killed or maimed in Israel conflict

GENEVA - The United Nations Children's Fund (UNICEF) said on Tuesday that in the two years since the outbreak of the Israel-Palestine conflict, some 61 000 children have reportedly been killed or maimed.

Speaking at a press briefing in Geneva, Switzerland, UNICEF spokesperson Ricardo Pires said that, on average, one child has been killed or injured every 17 minutes, describing the figure as "unacceptable" and "staggering."

Pires deplored the facts that children have been "suffering in their bodies and their minds for way too long," remaining traumatized and "exposed to horrors that no child

should ever have to look at or live." He noted that in Gaza, one in every five children is born prematurely, but the territory lacks the necessary infrastructure to ensure their survival, with reports that children are forced to share oxygen masks to stay alive.

UNICEF also noted that its teams in Gaza are still waiting for a green light to fetch incubators and ventilators for premature babies evacuated from the north of the Strip.

We've managed to move the babies to another facility when the hospital they were in needed to be evacuated, but we haven't managed to move the incubators... it's been denied so far," said Pires. - *Xinhua*

Momentum gone from Putin-Trump meeting

MOSCOW - Russia yesterday said that momentum towards reaching a peace deal in Ukraine had largely vanished following Vladimir Putin and Donald Trump's presidential summit in Alaska, dimming hopes for a quick end to the three-and-a-half year war.

The two leaders met at an air base in the Alaskan city of Anchorage in August, but failed to reach any kind of peace agreement to end the fighting. Diplomatic efforts to end the conflict have since stalled, with both Moscow and Kyiv launching deadly strikes into each other's territory and Russia advancing on the battlefield.

Trump has grown increasingly frustrated at Putin's apparent

reluctance to accept a deal, saying last month he was "very disappointed" with the Russian leader.

"Unfortunately, we must admit that the powerful momentum generated by Anchorage in favour of agreements... has largely gone," Russian Deputy Foreign Minister Sergei Ryabkov said, according to Russian news agencies.

He blamed Europe for the impasse, accusing them of wanting to wage a "war to the last Ukrainian".

Trump reached out to Putin within weeks of returning to the White House, casting himself as a neutral mediator. But he has failed to extract any major concessions from the Kremlin.

Trump has since grown more hostile towards Moscow while expressing sympathy for Ukraine.

In September, he wrote on Truth Social that Kyiv should try to "take back" all its occupied territory with Europe's and NATO's help.

Last month, US Vice President JD Vance told broadcaster Fox News that Washington was considering sending long-range Tomahawk cruise missiles to Ukraine.
