BID \_ EPL\_No. 8702\_v1.pdf; Site notice for EPL 8702.pdf;

Dear Esteemed stakeholder

This email serves to inform you that Excel Dynamic Solutions (Pty) Ltd (the consultant) has been appointed by **Armasi Mining (Pty) Ltd** (the proponent) to act on their behalf in obtaining an Environmental Clearance Certificate (ECC) for the proposed mineral exploration activities on Exclusive Prospecting License (EPL) No.8702. This EPL is located about 14 km east of Karibib in the Karibib constituency, Erongo region, as shown in the locality map in the Background Information Document Attached.

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. Furthermore, Section 21 to 24 of the EIA Regulations requires that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential Interested and affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation.

**You have therefore been identified as a potential Interested & Affected Party for this proposed activity hence why you are receiving this communication.**

**The public consultation meeting scheduled as follows:**

**Date: 27<sup>th</sup> March 2026**

**Time: 08h00 to 17h00**

**Venue: Farm to farm visits**

Please assist our office in circulating the attached BID and site notice as meeting invitation with the stakeholders.

Thank you and kindest regards
