2720 Employment

• Offered •

SAFETY, HEALTH & ENVIRONMENTAL (SHE) MANAGER VACANCY
Mighty Tom and Son Trading CC, a leading company operating across multiple mining sites, is seeking a competent and self-driven Safety, Health, and Environmental (SHE) Manager. The successful candidate will be responsible for ensuring compliance with strict mine safety, health, and environmental regulations while overseeing SHEQ practices at various project sites within the mining sector.

Key Responsibilities:
Develop, implement, and maintain SHE management systems in alignment with ISO 45001 and ISO 14001 standards. Ensure compliance with all applicable mining, construction, and occupational health and safety regulations. Conduct hazard identification, risk assessments, and implement effective control measures to mitigate risks. Lead incident investigations, recommend corrective actions, and ensure follow-up on implementation. Plan and deliver comprehensive SHE training programs for employees and contractors. Conduct site audits, inspections, and emergency response drills to uphold safety standards. Develop and oversee the implementation of emergency response plans. Ensure the safe handling, storage, and disposal of hazardous materials in compliance with environmental regulations. Prepare and submit SHE reports, incident statements, and compliance documentation. Liaise with regulatory agencies to ensure legal compliance and represent the company in SHE-related matters. Foster a strong safety culture, driving continuous improvement in SHE practices across all project sites. Work independently within a large team and coordinate with multiple stakeholders to implement SHE policies effectively. Prepare and submit reports while collaborating with the mine's SHE department without supervision.

Minimum Qualifications & Experience:
Bachelor's degree in Safety, Health, and Environmental Management or a related field. Minimum of 9 years of post-qualification experience in SHE management, including at least 5 years in mining or heavy industrial environments and 4 years in construction. NEBOSH International Diploma/Certificate or an equivalent qualification. In-depth knowledge of ISO 45001 and ISO 14001 standards. Registered as a SAIOSH member (mandatory) Certification in SHE Audits and Environmental Impact Assessment (EIA) (advantageous). Extensive experience in risk assessment, incident investigation, and emergency response planning. Proven experience in construction project management with a strong SHE focus. Demonstrated ability to conduct SHE audits and training programs. Proficiency in MS Office and SHEQ management software such as Forwood and Agile (mandatory). Ability to work independently while managing large teams and coordinating multiple projects. Willingness to travel and work across multiple mining project sites. Valid Code B driver's license (mandatory). How to Apply: Interested candidates should submit their CVs and relevant qualifications to projects@mightytom.com. na by 31 December 2025. Mighty Tom and Son Trading CC is an equal opportunity employer and encourages applications from all qualified candidates.

READVERTISEMENT INVITATION TO CONTRIBUTE TO THE ENVIRONMENTAL IMPACT ASSESSMENT (EIA) PROCESS FOR THE PROPOSED DEVELOPMENT AND CONSTRUCTION OF THE NEW HOSPITAL AND RESIDENTIAL UNITS ON ERF 875 (A PORTION OF ERF 302) IN LUDERITZ, IKKHARAS REGION

Under the Environmental Management Act No. 7 of 2007 and its 2012 Environmental Management Assessment (EIA) Regulations, an Environmental Clearance Certificate (ECC) will be submitted to the Environmental Commissioner. The proposed project is a listed activity that cannot be undertaken without an ECC from the Department of Environmental Affairs and Forestry (DEAF).

Project Type & Location: The proposed development and construction of a new private hospital and residential units on Erf 875 (a portion of Erf 302) in Lüderitz. The proposed development is on land owned by the Lüderitz Waterfront Development Company, measuring 13,536 m². The Proponent has obtained the right from the Lüderitz Waterfront Development Company to construct and operate the proposed private hospital and associated infrastructure required to support the operations of the private hospital. The proposed developments include: clinical space (e.g., surgical theatres, medical wards, intensive care units); clinical support areas (e.g., consultation rooms, pharmacy); ancillary facilities (e.g., administration blocks); other facilities (e.g., cleaning staff change rooms); and accommodation (e.g., apartments).

Proponent: Lüderitz Private Hospital Properties (P
