Subject: Stakeholders identification for the proposed prospecting and exploration activities on EPL No. 10529 located north of Grootfontein in the Otjozondjupa region.
Attachments: BID _EPL 10529.pdf

Dear Esteemed Interested & Affected Party,

Brightstar Resources Mining CC (The Proponent) proposes to undertake prospecting and exploration activities on **Exclusive Prospecting License (EPL) No. 10529 located approximately 5.3 km north of Grootfontein, Otjozondjupa Region.**

Mineral prospecting and exploration is one of the listed activities that cannot be undertaken without an Environmental Clearance Certificate (ECC) as per the 2012 Environmental Impact Assessment (EIA) Regulations of the Environmental Management Act No. 7 of 2007. The Proponent, therefore, appointed Excel Dynamic Solutions (Pty) Ltd, an independent Environmental Consultants firm to conduct the required Environmental Scoping Assessment (ESA) process and apply for the ECC.

Furthermore, Sections 21 to 24 of the EIA Regulations require that Public Consultation is undertaken as one of the crucial components of the Environmental Assessment, which involves the pre-identification of potential Interested & Affected Parties (I&APs) or Stakeholders and ongoing registration of new I&APs and subsequent consultation. You have therefore been identified as a potential I&AP for this proposed activity, and the reason you are receiving this communication.

Please find the attached Background Information Document (BID) the proposed prospecting and exploration activities.

The EPL covers multiple farms, including: Ossa No.1397, De Rust I No.359, Frankfort No.360, Hermannskamp No.361, Otago No.24, Heinshof No.2022, Venus No.379, Norma No.29, Valerie No.30, Rietfontein No.344, Awagobib No.45, Poolmans Kluft No.332, Neu Sommerau No.1359, Johannestal No.652, Nehlen No.1782, Rietfontein No.44, Odin No.380, Meleager No.366, Atalanta No.365, Alfredshoehe-Nord No.364, Klippbockfontein No.31, Leyboldsruhe No.377, Geluk No.39, Chester No.38, Polzins No.1594, Weiveld No.370, Okameni No.371, Bender No.356, Eichenbach No.324, Tjefburg No.378 and Wasmer No.34.

A public consultation meeting was held at Peace Garden on the 21st November 2025 with the affected land owners.

The meeting was just one part of the consultation process and you are still welcome to submit your comments, questions, or concerns about the proposed project.

Your input will be compiled and submitted to the Ministry of Environment, Forestry and Tourism for consideration.

Kind regards,

Vistolina August
