

Organs of State typically included for an EPL in Karas (minimum coverage checklist)

Use this as a cross-check against your register to ensure ECC defensibility:

- MEFT / Department of Environmental Affairs (DEA) (Competent Authority)
- MME / Mining Commissioner (licensing authority)
- Karas Regional Council
- Relevant Local Authority (Town Council/Village Council/Settlement office depending on locality)
- Traditional Authority (where applicable)
- Communal Land Board (only if communal land is involved)
- Ministry of Agriculture, Water and Land Reform (MAWLR) (water/land matters; boreholes, abstraction, servitudes)
- Ministry of Works & Transport / Roads Authority (access roads/permits if relevant)
- Ministry of Health & Social Services (public health matters where camps/operations occur)
- NamWater (if water supply interfaces exist)
- NamPower (only if powerline/grid interfaces are relevant)
- NamPol / Emergency services (if stakeholder engagement included safety/emergency coordination)
- National Heritage Council (NHC) (heritage chance finds / sensitivity, if consulted)
