NOTICE OF INTENTION IN TERMS OF THE URBAN AND REGIONAL PLANNING ACT OF 2008 (ACT 5 OF 2008):

REZONING OF ERF, 4827 (A PORTION OF ERF 4807 OF SWAKOPMUND, EXTENSION 10, FROM "GENERAL BUSINESS" TO "GENERAL INDUSTRIAL" AND CONSENT IN TERMS OF CLAUSE NO. 8 OF THE SWAKOPMUND ZONING SCHEME NO. 12 TO OPERATE A WAREHOUSE AND A SERVICE INDUSTRY FROM ERF 4827 (A PORTION OF ERF 4807, EXTENSION 10, SWAKOPMUND)

Please take note that NAMPLAN Town Planning Consultants and Projects CC, on behalf of our client, intends to apply to the Swakopmund Municipal Council for the rezoning of Erf 4827 (a Portion of Erf 4807) Swakopmund located in Extension 10 from "General Business" to "General Industrial" and application for consent to operate a warehouse and service industry from Erf 4827 (a Portion of Erf 4807), Extension 10, Swakopmund.

Erf 4827 currently measures 1041m² in extent and is located in Jobs Otto Nankushat Street in Extension 10 of Swakopmund. The Erf currently accommodates a large warehouse with associated offices on the property. The reason for the proposed rezoning stems from the fact that the property is currently zoned as a "General Business" and our client, in future want to make use of the property for storage purposes as well as metal fabrication. A "General Business" zoning does not allow for such use on the property as a primary right. Due to the above, our client would at the same time like to apply to Council for consent to use the property as a secondary right as allowed by the Swakopmund Zoning Scheme No. 12. This will allow our client to start operating their business while the long statutory processes of the rezoning are ongoing. Once the rezoning is approved, the above mentioned use will be a primary right on the property.

Please further take note that:-

(a) If the plan of the erf can be inspected at the public notice board of the Swakopmund Municipality located in the Corner of Otakuluka & Daniel Karriem Street.

(b) Any person having objections to the proposed rezoning or consent or who wants to comment thereon, may lodge such objections and comments, together with the grounds thereof, in writing and addressed to the Chief Executive Officer of the Swakopmund Municipality and the applicant within 28 days of publication of this notice.

Please be advised that the written objection must be forwarded within the prescribed time as required by the Urban and Regional Planning Act of 2008 (Act No. 5 of 2008) and Swakopmund Zoning Scheme No. 12. Such written objection or comment must therefore be submitted by no later than 27:00 on 25 March 2025.
