Dear Sir/Ms

Organs of state with jurisdiction over certain aspects of tourist accommodation are hereby notified that NamibRand Safaris (Pty) Ltd (the proponent) is applying for an Environmental Clearance Certificate in terms of the Environmental Management Act, 7 of 2007, and the EIA Regulations of 2012 for the operation and management of the lodge Wolwedans Dune Camp.

Wolwedans Dune Camp is an existing lodge in the NamibRand Private Nature Reserve and consists of canvas and wood structures accommodating 18 guests and 8 employees. It is located on the privately owned farm Wolwedans.

Find attached here a Background Information Document describing the extent of the project. Should you have any comments or questions, please do not hesitate to contact me in writing at [hoenspotgieter@gmail.com](mailto:hoenspotgieter@gmail.com)

Kind regards,  
Henriette
