PART B: SCOPE OF THE ENVIRONMENTAL CLEARANCE CERTIFICATE

1. The environmental clearance certificate is for:

Activity 9.1 The manufacturing, storage, handling or processing of a hazardous substance defined in the Hazardous Substances Ordinance, 1974.

Activity 9.2 Any process or activity which requires a permit, licence or other form of authorisation, or the modification of or changes to existing facilities for any process or activity which requires an amendment of an existing permit, licence or authorisation or which requires a new permit, licence or authorisation in terms of a law governing the generation or release of emissions, pollution, effluent or waste.

Activity 9.4 The storage and handling of dangerous goods, including petrol, diesel, liquid petroleum gas or paraffin, in containers with a combined capacity of more than 30 cubic meters at any one location.

2.Details of the activity(s) covered by the environmental clearance certificate:

Note: Please attach plans to show the location and scope of the designated activity(s), and use additional sheets if necessary:

Title of Activity:

The ECC renewal application is for the proposed continued operations of the site. This is done in order to comply with the requirements of the Environmental Management Act (No. 7 of 2007), and its regulations of 2012.

Nature of Activity:

The proponent wishes to continue the operations of the exiting Luderitz Bay retail facility in Luderitz. Matrix Consulting Services is appointed to undertake the necessary activities to enable the renewal application for an Environmental Clearance with the Environmental Commissioner as prescribed by the Environmental Management Act (No. 7 of 2007) and Environmental Impact Assessment Regulations (Government Notice No. 30 of 2012).

This Environmental Assessment is therefore undertaken to determine the potential environmental and socio-economic impacts associated with the activities of the existing fuel retail development.

Location of Activity:

55 Hafen Street, Luderitz, //Kharas Region

Coordinates (26.64522°S; 15.15424°E)

Scale and Scope of Activity:

The scope of the project is limited to assessing the current environmental conditions; reviewing and updating the exiting Environmental Management Plan; and applying for a renewal of the Environmental Clearance Certificate for the continued operation of the existing fuel retail facility.

PART C: DECLARATION BY APPLICANT

I hereby certify that the particulars given above are correct and true to the best of my knowledge and belief. I understand the environmental clearance certificate may be suspended, amended or cancelled if any information given above is false, misleading, wrong or incomplete.

B. PARTICULARS OF CURRENT ENVIRONMENTAL CLEARANCE CERTIFICATE

1. Name of current holder of Environmental Clearance Certificate: Luderitz Bay Shipping and Forwarding (Pty) Ltd
2. Date of Issue of current Environmental Clearance Certificate: 05 October 2011

1. Condition(s) on the Current Environmental Clearance Certificate:

- This environmental clearance is valid for a period of 3 (three) years, from the date of issue unless withdrawn by this office;
- This certificate does not in any way hold the Ministry of Environment and Tourism accountable for misleading information, nor any adverse effects that may arise from these activities. Instead, full accountability rests with the proponent and its consultants;
- This Ministry reserves the right to attach further legislative and regulatory conditions during the operational phase of the project.
- Regular environmental monitoring and evaluations on environmental performance should be conducted. Targets for improvements should be established and monitored throughout this process.
- The proponent is required, from the date of commencing implementation of project activities, to compile and submit environmental monitoring reports (on project progress and the environmental management profile) on a bi-annual basis to Office of Environmental Commissioner.
- All key stakeholders, particularly the regional authority, must be properly consulted and written consent obtained prior to any development activities.

2. Proposed Amendment(s):

Transfer of ECC from **Luderitz Bay Shipping and Forwarding (Pty) Ltd** to **Manica Group Namibia (Pty) Ltd**.

3. Reason for Amendment(s):

Luderitz Bay Shipping & Forwarding was a division of Manica Group Namibia (Pty) Ltd. This division has since been dissolved into the parent group and as a result the name (Luderitz Bay Shipping & Forwarding) does not exist anymore. Manica Group Namibia (Pty) Ltd as the parent company intends to have the Environmental Clearance Certificate previously issued to Luderitz Bay Shipping & Forwarding (Pty) Ltd transferred into the name of Manica Group Namibia (Pty) Ltd.

4. Describe the environmental changes arising from the proposed amendment(s):

No environmental changes arise from this amendment.

5. Describe how the environment and the community might be affected by the proposed amendment(s):

The location and operations will not change, therefore no further effects on the community or environment will take place.

- 6. Describe how and to what extent the environmental performance requirements set out in the assessment report previously approved or activity profile previously submitted for this activity may be affected:**

No additional impact on the environmental performance, as the site and operations remain the same.

- 7. Describe any additional measures proposed to eliminate, reduce or control any adverse environmental effect arising from the proposed amendment(s):**

The Environmental Management Plan, which is attached, outlines the environmental impacts and mitigation strategies.

PART D DECLARATION BY APPLICANT

I hereby certify that the particulars given above are correct and true to the best of my knowledge and belief. I understand the environmental clearance certificate may be suspended, amended or cancelled if any information given above is false, misleading, wrong or incomplete.
