Dear Madam/Sir

This email serves as formal written notification to the *occupiers of land adjacent to the site* where harvesting will occur of the proposed harvesting and processing of timber species, namely Rosewood and Kiaat, on Commercial Small-Scale farming units 1472, 1399, 1419, 1478, and 1508 within the Mashare Constituency and unit 1611 within Ndiyona Constituency, Kavango East Region, Namibia. The activity requires environmental clearance under the Environmental Management Act No. 7 of 2007 and the EIA Regulations of 2012.

The proposed project activities will include the following:

- Selective harvesting of Rosewood and Kiaat trees within approved areas.
- On-site processing of harvested timber into planks.
- Temporary storage and transportation of processed timber.
- Implementation of environmental management and mitigation measures to minimize impacts on soil, vegetation, biodiversity, and surrounding communities.

Your acknowledgement of receipt of this notice will be appreciated.

Should you require further information or clarification regarding the proposed project, please feel free to contact the undersigned.

Best regards,
Petrus Sifature
