ANNEXURE 1

FORMS

Form 1

REPUBLIC OF NAMIBIA

ENVIRONMENTAL MANAGEMENT ACT (No. 7 of 2007)

(Section 32)

APPLICATION FOR ENVIRONMENTAL CLEARANCE CERTIFICATE

App No: 007129

PART A: DETAILS OF APPLICATION

1. Name : **Mobile Telecommunication Company (MTC)**
2. Business Registration/ ID #: **94/458**
3. Correspondence Address: **Cnr. of Mose Tjitendero & Hamutenya Wanahepo Ndadi Street, Olympia, Windhoek, Namibia**
4. Name of Contact Person: **Mr. Tuhafeni Erastus**
5. Position of Contact Person: **Transmission Engineering Technician**
6. Telephone No.: **+264 81 325 1726**
7. Fax No: **N/A**
8. E-mail Address: **TErastus@mtc.com.na**

PART B: SCOPE OF THE ENVIRONMENTAL CLEARANCE CERTIFICATE

1. THE ENVIRONMENTAL CLEARANCE CERTIFICATE IS FOR:

The 'listed activities' that might be affected are listed below:

10.1 The construction of -

(g) The construction of masts of any material or type and of any height, including those used for telecommunication, broadcasting, and radio transmission.

2. DETAILS OF THE ACTIVITY(S) COVERED BY THE ENVIRONMENTAL CLEARANCE CERTIFICATE:

2.1 Title of Activity

Environmental Scoping Assessment (ESA) for the Proposed Construction and Operation of a 48m Monopole Tower located in Extension 1, ERF 420, in Henties Bay, Erongo region, Namibia

2.2 Location of Activity

The proposed location for the construction and operation of the 48 m MTC tower is in Extension 1, on a section of Erf 420 at coordinates (-22.114745, 14.281293), in Henties Bay, Erongo Region. The locality map is shown in the Background Information Document (BID) attached hereto.

2.3 Nature of Activity

The nature of the activity is infrastructure development, i.e., the planned construction of a 48 m Monopole network tower and its eventual operations.

Please refer to the attached project BID for more details on the project description and activity requirements.

2.4 Scale and Scope of the Activity

The proposed activity will only entail the construction, operation and maintenance works of the 48 m Monopole MTC network tower in extension 1, a portion of erf 420, in Henties Bay. The scale of activity is considered small – scale because the project structure (tower) is localized. The project is anticipated to last for about three months. The planned activities and required resources and infrastructure are presented in the BID attached.

The scope of the proposed works will entail the following:

- There will be minimal earthworks to prepare the sites for the tower's construction and installation. The construction work is expected to be completed within 3 months. The structure of the tower will be mounted on a concrète foundation and will not require any supporting cables. The physical assembling of the network structure and the construction of the foundations will take place on the site by using manual labor as far as possible.
- For safety and security reasons, the tower site will be fenced off. This will also be done to ensure that access to the tower is limited to authorized personnel (such as

the maintenance team) only and (to prevent vandalism of the tower and their associated accessories.

- MTC will appoint contractors to carry out the construction. This work will be carried out during weekdays only and between 08h00 and 17h00. Preference for the construction work will be given to locals, i,e„ contractors from Henties Bay.

- The appointed construction contractor will not be accommodated on-site; local workers will reside in their homes, while out-of-town technical staff (if required) will stay in available accommodation facilities in Henties Bay. Consequently, no campsites associated with the proposed tower construction will be established on or near the site.

- The appointed contractor will be required to provide appropriate and sufficient Personnel Protective Equipment (PPE) to all its employees while carrying out the construction work at the site.

PART C: DECLARATION BY APPLICANT

I hereby certify that the particulars given above are correct and true to the best of my knowledge and belief. I understand the environmental clearance certificate may be suspended, amended, or cancelled if any information given above is false, misleading, wrong or incomplete.
