RE: STAKEHOLDERS IDENTIFICATION FOR THE PROPOSED PROSPECTING AND EXPLORATION ACTIVITIES ON THE EXCLUSIVE PROSPECTING LICENCE (EPL) NO.10381 LOCATED SOUTH OF KARIBIB IN THE ERONGO REGION.

Application to obtain consent to mine for dimension stones, industrial minerals, precious metals, base and rare metals, within EPL10381 overlying Navachab Farm 58 held by QKR Namibia Navachab Gold Mine (Navachab Gold Mine), refers.

Whilst your prospective EPL10381 is not conflicting any our mining licences (MLs) or EPLs, it is overlapping part of our Navachab 58 reserved for our future accessory works and activities.

Navachab Gold Mine envisages that, giving you consent to prospect and/ or mine in the part of Navachab Farm 58 overlying your prospective EPL10381 would create conflict of activities and/ or interest.

Navachab Gold Mine cannot give consent for prospecting in EPL10381 at this point.

Attached, please receive the satellite image with Navachab Gold Mine's Navachab Farm 58 outline overlying part of your prospective EPL10381.

Yours faithfully,

.....
