RE: Stakeholder notification for the Renewal of Environmental Clearance Certificate (ECC) for the operation of the existing Ohakane Service Station in Opuwo, Kunene Region.

Excel Dynamic Solutions (Pty) Ltd (the Consultant) has been appointed by Northern Distributers CC (the Proponent) to act on its behalf in the renewal of the Environmental Clearance Certificate (ECC) for the continued operation of the existing Ohakane Service Station in Opuwo.

The fuel facility is located within Opuwo along the C43 Route and comprises the existing service station infrastructure. The facility is currently operational and comprises typical service station infrastructure, including underground fuel storage tanks, dispensing pumps, forecourt, convenience retail component, and associated infrastructure. The proposed application relates solely to the renewal of the existing ECC to ensure continued compliance with the provisions of the Environmental Management Act and its regulations.

You are hereby notified that you have been identified as a Potentially Interested and Affected Party (I&AP) regarding the proposed activities. For your review, the **project's Background Information Document (BID),** which includes a locality map, is enclosed.

Please contact our office you have any questions / would like should more information.

Yours sincerely
