SUBDIVISION OF ERF R/439 KLEIN WINDHOEK INTO PORTION A AND REMAINDER FOR THE EXTENTION OF SCHULTZ STREET

Your notice regarding the above-mentioned subdivision was received on the 10th July 2025. It is noted that your rezoning application of 2016 was not supported by City of Windhoek and that the zoning will remain as resolved under Council Resolution No. 388/11/2010 ("office" zoning with a bulk 0.4).

As the owner of Erf 442 Klein Windhoek allow me to comment as follows:

I do not support the subdivision of Erf R/439 to allow for the extension of Schultz Street for the following reasons;

- Security – the extension of Schlutz Street will create easy access to the back of my property which poses a security risk.
- To improve security the upgrading / replacement of the back of my property boundary wall will be necessary, including security cameras, etc. and is a financial burden.
- Noise pollution due to vehicle and pedestrian traffic. Refuse removal noise.
- Light pollution due to street and other lighting.
- No Environmental impact assessment was presented.
- Storm water drainage not addressed.
