TODAY IS... NATIONAL ACCOUNTS PAYABLE

These finance wizards ensure the bills are paid and the numbers match. They're the financial glue keeping things smooth. Those who work in companies, whether large or small, know that the folks over in the Accounts Payable department are stretched thin and have a lot riding on their work. This role is much more than simply paying bills! It requires a significant amount of integrity as well as attention to detail, including managing cash flow, mitigating financial risk, complying with auditing processes and so much more.
