8. E-mail Address: utjihoto@yahoo.com

PART B: SCOPE OF THE ENVIRONMENTAL CLEARANCE CERTIFICATE

1. THE ENVIRONMENTAL CLEARANCE CERTIFICATE IS FOR:

The 'listed activities' that might be affected are listed below:

3.1 The construction of facilities for any process per activities which requires a license, right or other form of authorization, and the renewal of a license, right or other form of authorization, in terms of the Minerals (Prospecting and Mining Act), 1992.

3.2 Other forms of mining or extraction of any natural resources whether regulated by law or not.

3.3 Resource extraction, manipulation, conservation and related activities.

2. DETAILS OF THE ACTIVITY(S) COVERED BY THE ENVIRONMENTAL CLEARANCE CERTIFICATE:

2.1 Title of Activity

Environmental Scoping Assessment (ESA) for the proposed small-scale mining activities of Mining Claim (MC) No. 68193 Located near Omao village, Opuwo district, in the Kunene Region,

2.2 Location of Activity

The Mining Claim (MC) No. 68193 covers an approximate area of 305,636.082 m² located near Omao Village in the Kunene Region, within the Okangundumba Conservancy. The locality and land use maps are attached in the Background Information Document (BID).

2.3 Nature of Activity

The proponent intends to conduct small scale mining activities on the MC. The proposed development requires approval of the mechanized mining method from the DEAF of the Ministry of Environment, Forestry and Tourism (MEFT) before mining activities commences on the MC.

Please refer to the attached project BID for more details on the project description and activity requirements.

2.4 Scale and Scope of the Activity

The proposed activity will involve detailed exploration for economically viable, high-quality Base and Rare metals within MC No. 68193. The proposed activities are anticipated to last for about three years (36 months). The planned activities and required resources and infrastructure are presented in the BID attached.

PART C: DECLARATION BY APPLICANT

I hereby certify that the particulars given above are correct and true to the best of my knowledge and belief. I understand the environmental clearance certificate may be suspended, amended, or cancelled if any information given above is false, misleading, wrong or incomplete.
