The Chief Regional Officer
Kunene Regional Council
Namibia

SUBJECT: STAKEHOLDER NOTIFICATION FOR THE ENVIRONMENTAL ASSESSMENT (EA) FOR THE PROPOSED PROSPECTING AND MINING ACTIVITIES ON MINING CLAIM (MC 68193) NEAR OMAO VILLAGE, OPUWO DISTRICT, KUNENE REGION, NAMIBIA

Dear Sir/Madam,

Simeon Namweya (**the Consultant**) has been appointed by Mr. Tjihoto, Uariongozu Marks (**the Proponent**) to undertake the Environmental Assessment process and facilitate the obtaining of an Environmental Clearance Certificate (ECC) for the proposed prospecting and mining activities on Mining Claim (MC) 68193 located near Omao Village, Opuwo District, Kunene Region, Namibia.

The proposed project involves small-scale mining activities targeting **Base and Rare Metals** within Mining Claim (MC) 68193.

In accordance with the provisions of the **Environmental Management Act, 2007 (Act No. 7 of 2007)** and the Environmental Impact Assessment Regulations, an Environmental Assessment process is being undertaken to identify and assess potential environmental and social impacts associated with the proposed activities.

As a key stakeholder, the Kunene Regional Council is hereby notified of the proposed development and invited to participate in the Environmental Assessment process by submitting any comments, concerns, recommendations, or relevant information regarding the proposed project.

The **Background Information Document (BID)** for the project is attached herewith for your information and review.

Your participation and input into this process are highly appreciated and will contribute towards strengthening the environmental assessment process.

Should you require any further information or clarification regarding the project, please do not hesitate to contact the undersigned.

Yours faithfully,

Mr Simeon Namweya
