RE: CONSENT LETTER FROM UITKOMS FARM-NO 514 COMMUNITY

I, Chief Katae, together with the community leadership and in consultation with all community members of Uitkoms Farm, hereby confirm that we have agreed to issue this consent letter to Mr. Thomas Shindi (ID number: 84061810294).

The mining claims, which were pegged on 05 November 2025, bear the following numbers: 76496, 76497, 76498, 76499, 76500, 76501, 76502, 76503, and 76504.

The Uitkoms community hereby grants the applicant consent to undertake exploration activities within the specified area. This includes conducting environmental assessments for clearance purposes, as well as archaeological assessments to ensure compliance with heritage requirements, in relation to the exploration and potential mining of manganese within the boundaries of the farm.

This consent was formally approved during a community meeting held on 30 March 2026 at the Uitkoms Community Hall. The attendance register for this meeting is attached for reference.
