

Save the Beasts. Stop the Slaughter

SHOWDOWN IN THE OKAVANGO DELTA

11 November 2025

[#BreakingNews](#)-FACING POSSIBLE CONTEMPT OF COURT CHARGES FOR ILLEGAL ELEPHANT HUNTING IN BOTSWANA AND VIOLATION OF COURT INTERDICTS, DAWIE GROENEWALD'S ALLEGED PROXY IN BOTSWANA, THE NOW-DISGRACED FORMER JUSTICE MINISTER RONALD MACHANA SHAMUKUNI AND HIS DODGY SHELF COMPANY DK SUPERIOR (PTY) LIMITED, ARE DONE AND DUSTED.

Without a leg to stand on and no legal agreement to show, Shamukuni, finally ran out of road at the Maun High Court in Botswana today, where his lawyer Morris Ndawana was forced to withdraw the empty shelf company DK Superior (PTY) Limited's legless application against the Attorney General of Botswana, the Director of Wildlife Conservation and National Parks, Old Man's Pan (PTY) Limited and The Tcheku Community Development Trust.

The real story is more complicated than meets the eye.

We've been shoveling through Dawie's and Shamukuni's bullshit for nearly a year.

So stay tuned and watch this space.

There's so much more to follow.....
