INVITATION TO ATTEND A FOLLOW-UP STAKEHOLDER MEETING

Environmental Impact Assessment (EIA) – Proposed Haib Copper Project and Associated Water Supply Infrastructure near Noordoewer, //Kharas Region

Dear Sir/Madam,

Haib Minerals (Pty) Ltd, a Namibian subsidiary of Koryx Copper Inc., is undertaking an Environmental Impact Assessment (EIA) for the proposed Haib Copper Mine located near Noordoewer in the //Kharas Region.

In parallel, an EIA is being undertaken for the associated Haib Copper Water Abstraction, Supply and Storage infrastructure to support the mines water demand, to be implemented by NamWater. Given the interrelated nature of these activities, the ESIA processes are being conducted concurrently and are supported by a joint stakeholder engagement process.

Following the initial stakeholder engagement undertaken during the Scoping Phase (mid 2025), you are hereby invited to attend a follow-up stakeholder meeting as part of the Impact Assessment and Environmental Management Plan (EMP) phase of the EIA.

Meeting Details:

Date: 20 April 2026

Time: 09:00 – 12:00

Venue: Opera House, The Village, Windhoek

Meeting Objective:

This engagement aims to bring together relevant authorities and stakeholders to:

- Provide feedback on the draft EIA and EMP for both the mining and associated water infrastructure components;
- Present key environmental and social findings, including specialist study results;
- Provide feedback on issues and concerns raised during the initial consultation phase and how these have been addressed; and
- Obtain further input from stakeholders.

Project information is available for review on the Knight Piesold website at:
